

BASYS[®]

P R O C E S S I N G

INTEGRATE CREDIT AND DEBIT CARD PAYMENTS WITH BASYS DIRECTLY THROUGH YOUR ARS SOFTWARE

Why choose **BASYS** as your trusted partner for personalized payment processing?

- ✔ **LIVE PERSON SUPPORT**
When you call, a friendly live voice will answer the phone – not an automated phone system.
- ✔ **RELATIONSHIP MANAGER**
Connect with a knowledgeable Relationship Manager who is assigned to your account as your dedicated go-to person for support.
- ✔ **IN-HOUSE PCI TEAM**
Our in-house PCI Compliance Team walks you through your annual questionnaire and PCI requirements step-by-step to ensure you are compliant.
- ✔ **NEXT DAY FUNDING**
Funds are available within 1 business day after you process a payment, so you can have almost immediate access to your money.
- ✔ **SIGNIFICANT SAVINGS**
You will see significant savings compared to your current credit card and debit card processing fees by automatically qualifying for transactions at the lowest rates, including level II and level III.
- ✔ **ENHANCED SECURITY**
Enhanced security features include EMV compatibility, tokenization, encryption, fraud protection, and breach protection.

The application is simple and straightforward to implement, and our dedicated support team is always available if you need help.

WHO IS ARS?

Advantage Route Systems is the global leader in route automation solutions, trusted by thousands of route delivery companies worldwide to deliver progressive solutions for route accounting, handheld devices, and GPS-based technologies. ARS products have become an essential part of in-field and office operations in industries such as bottled water, water treatment, ice, propane, oil recycling, coffee, and more. Built on a commitment to help our customers' businesses run optimally, we provide 24/7 world-class support that is second to none.
