

BT-4 PRINTER

QUALITY AND ECONOMICAL 4-INCH PRINTER

The Advantage BT-4 printer family is an economical, portable printer that will provide years of dependable use. It comes with a wide, 4-inch format to meet all of your printing requirements.

- ✓ Crisp Thermal Output
- ✓ Built-In Paper Holder
- ✓ Long Lasting Battery
- ✓ Bluetooth Interface
- ✓ Optional Credit Card Reader

The Advantage BT-4® printer is an affordable solution for mobile printing. You will love the quick and clean output. Anything that is printed in black ink will be clearly visible and easy to read. The quality of the receipt will impress your customers!

COMMUNICATIONS

Standard with the Advantage BT-4 printer is Bluetooth Communication. The Bluetooth 2.0 standard allows communications up to 30 feet (10 meters) away! Baud rates are selectable from 2400 to 115k. (See the reverse side for known compatibility with various software packages).

PAPER FORM

The printer supports and extra-wide 4 inch (112 mm) format to produce the most detailed and easy-to-read receipts for your customers. The paper roll length is standard at approximately 65 feet (20 meters).

BATTERY

The unit comes with a hefty 4000 mAh rechargeable battery. This typically allows a full day of printing between recharging. Recharging generally takes 3 hours from completely empty to fully ready to go. An optional truck charger is also available.
