BTU-3 PRINTER

BEST VALUE 3-INCH PRINTER

The Mango BTU-3 printer is an economical, portable printer that will provide years of dependable use. It prints in a 3-inch format to meet all your mobile printing requirements.

- ✓ Crisp Thermal Output - 203 dpi Resolution
- ✓ Built-In Paper Holder
- ✓ Long-Lasting Battery
- ✓ Bluetooth Connection
- ✓ Small and Compact Size
- ✓ High-speed Printing (120mm/s)
- ✓ USB-C Charging Port

The Mango BTU-3® printer is an affordable solution for mobile thermal printing. You will love the quick and clean output. Anything that is printed in solid black will be clearly visible and easy-to-read. The quality of the receipt will impress your customers!

COMMUNICATIONS

Standard with the BTU-3 Printer is Bluetooth Communications. The Bluetooth 2.1 standard allows communication from up to 30 feet (10 meters) away! Support for BLE is standard. Your Bluetooth ID shows up on the LCD screen.

PAPER FORM

The printer supports a wide 3-inch format to produce detailed and easy-to-read receipts for your customers. This unit uses the same paper as our BB3 and PTB-3 Printer. The paper roll length is standard at approximately 65 feet (20 meters). This yields approximately 50 receipts.

BATTERY

The unit comes with a removable 7.4V, 2500 mAh polymer lithium rechargeable battery. This provides a full day of printing between recharging. Recharging generally takes less than 3 hours to go from completely empty to fully ready to go. It uses a convenient USB-C port for charging. Now you can charge in your truck with a single charger.
