

MANGO  **STATEMENTS**

SIMPLIFY MONTHLY STATEMENTS!

-  Outsource statement processing
-  Save time and money
-  Access statements from anywhere

Save time and money on monthly statement processing so that you can focus on more important aspects of your business. No more stuffing envelopes and licking stamps – simply send the file, and the rest is done for you.

Each month when you do your month-end statements, instead of printing statements, the digital file is uploaded to our bulk mail service through Mango Statements. Matrix Imaging is a third-party service that prints the statements, stuffs them in envelopes, and mails them to your customers for mere pennies each.

SEND A FILE AND ENJOY THE BENEFITS

Significant Time-Savings – Eliminate the tedious task of ordering statements, stuffing envelopes, and running to the post office.

1-3 Business Day Turnaround – Once you send a file, Matrix offers fast shipping to USA locations.

Save on the Cost of Ink, Paper, and Envelopes – Rather than ordering statements and mailing them out yourself, you can save paper by simply sending the files to Matrix Imaging Solutions, and they do the rest.

Use Your Own Logo – Matrix Imaging can print branded images and logos on the back of your statement.

Various Mailing Options – You can choose between a variety of colored stock paper, printed with black ink.

ABOUT MATRIX IMAGING

Matrix Imaging is a trusted mailing house that processes statements for customers who mail within the United States, Canada, Mexico, or overseas. As an established and reliable company, Matrix ensures that your job is maintained separately from all others and keeps your information confidential.
